From,

Rajerao Vithal Mangalvedhekar Esqr., B. A.

Divan of Savanur

To,

The Collector and Political Agent,

Dharwar.

Sir,

I regret to have to report that My Head Karkun and 3rd Class Magistrate Mr. Shesho Rango Ritti died suddenly on the 15th Instant.

(2) I have made temporary arrangements for the discharge of the duties of the Head Karkun by appointing the 2nd Karkun to act as Head Karkun and by giving grade promotions to the other Karkuns in my office

(3) I have enclosed a statement showing

(1) The scale of pay lately sanctioned [redacted] respondence ending with the Commissioner S. D.'s letter No 230 of 25th August 1909 and

(2) the qualifications and service of the Divan's establishment.

(4) I have made my recommendations for filling up the vacancy caused by the death of the Head Karkun in the Remarks Column of the statement.

(5) I would recommend Shreenivas Ramchandra Sawakar to be appointed as the last Karkun in the Divan's Office on probation. He has passed the Matriculation Examination of the BOmbay University and has kept two terms at the Fergusson College Poona and has studied up to the previous Examination. He seems to be an intel gent man and has been tried as an acting teacher in t Savanur Anglo Vernacular School and is likely to prov useful in the Divan's office. He may be appointed the conditions:-

(1) that he passes his Sub-Service Departmental Examination and

(2) learns the work of a typist in six months' time.

A typewriter has lately been supplied to this office and it is necessary that one or two Karkuns in the office should be typists.

(6) There were only two Karkuns who were Matrics in the Divan's Office. One of these viz the 2nd Karkun has been recommended for the Head Karkun's post. It is absolutely necessary in the interests of efficiency that an additional competent English knowing man should be appointed as English correspondence has lately assumed large proportions.

(7) I beg to enclose for ready reference copies of the correspondence on the subject of the scale and pay of the Divan's establishment. It will be seen that the scale of pay has been revised with a view to -

(1) attract a better class of men as the present staff has not got the requisite qualifications and

(2) to improve the prospects of men already in state service by giving them promotions, as the Establishment is very limited, as the chances of promotion are few and far between and especially as no pension is given as a rule.

(8) Mr. Laxman Balaji Ghatikar when appointed Head Karkun for reasons given in the accompanying statement may be invested with 3rd Class Magisterial powers and appointed Nazar of the Civil Court by a separate memo under the signature of the Political Agent.

Mr. Ghatikar has headed the District list of men who passed the Sub-Service Departmental Examination. He has done Magisterial work for a long time and has a fair knowledge of Criminal laws and procedure and may safely be intrusted with 3rd Class Magisterial powers.

(9) In consequence of the promotions granted, there will be a change in the Dufters of the Karkuns. The work of the office will be distributed according to the capabilities of the men and office convenience.

(10) Early orders are solicited as there will be no Magistrate in the Head Quarters when I am on tour.

I have the honour to be,

Sir,

Your most obedient servant,

Divan of Savanur

Memorandum.

The Dewan's proposals are accepted except in the case of the man recommended as last clerk. The Dewan does not state the place of which he is a native or what his antecedents and connections are. There is only one Lingayat, 1 Mohomedan in the whole establishment and a man from one or other of these communities should be appointed if available. There is a Lingayat candidate in the shape of Bayappa Tammappa Savanur- who appears (vide his application sent herewith)--- to have applied to Mr. Turner. The Assistant Political Agent is requested to see if there is anything about him on record. He has passed both Matriculation and School Final and has worked in the Shiggaon Mamlatdar's office. If there is no suitable Mohomedan, and if he produces satisfactory certificates of character he might be given the chance.

2) There are altogether 6 applicants for the last post. They are.

(1) Rayappa Tammappa Savanur
(2) S.R. Sawaker
(3) G.S. Kyambhir.
(4) Akbarkhan bd Hasanbhan
(5) Mahabubkhan bd Fayajkhan.
(6) Hammadkha bd Vazirkhan

3) Nos 1 & 2 have passed educational tests. No 1 is a Lingayat & is a native of Savanur. There seems nothing against him, so far as his character is concerned.

No 2 is a native of Chillaw Badri Talube Bandaynr ; He is already in the service of the State, being a teacher. For reasons given in this office No 216 of 16 4 1912, his qualifications are superior to those of No 1. He is therefore, likely to be more useful to the office than No 1.

No 3 has passed the educational test but is a candidate working in the office He is also a typist

No 4, 5 & 6 have passed the educational tests

No 4 is the son of a Constable. A scholarship was granted to him when he was studying in the Dharmaraja High school, as his father was poor

He made no proper use of his opportunities. His scholarship was withdrawn as his progress was unsatisfactory & he failed to pass any examination.

He is blind of one eye & is not fit for office work.

Nos 5 & 6 cannot even properly sign their names, as will be seen from their applications enclosed. They are absolutely useless for office work.

4) There is only one Karkun in the office who is a matric, apart from the Head Karkun. English correspondence has largely increased in recent years. An additional English knowing competent ~~hand~~ man is indispensably necessary

to get on with the work & to improve the efficiency of the office. In this connection reference is requested to this office No 210 of 16-4-1912.

5) If No 2 cannot be appointed No 1 may be appointed on the 2 conditions proposed in this office letter quoted above.

Memo:

With regard to the information called for in the Undersigned's No39 of1913 it is with great regret that the Undersigned notices the delay in the Sub Inspector's office in furnishing the required information. In the first case when the papers were sent to the Sub Inspectoe through the Diwan, the Sub Inspector has taken seven days to supply the information specially when the papers were marked " for immediate compliance.In the second case when the papers were again returned to the Sub Inspector for correction he has taken four days to make the correction. The Undersigned hopes that this letter will be a sufficient warning for future.

The Head Clerk Mr Ghatikar omits signing an important paper like this & thus loses a day. This is anything but creditable to a man who is acting Diwan.

Through the laziness of the above Officers the information could not be supplied to the Political Agent immediately as required by him.
